

CDFA MEETING ON MEDFLY INFESTATIONS IN N. SAN DIEGO COUNTY

A joint meeting of citrus and avocado growers has been organized to discuss the Medfly infestation in north San Diego County. At CDFA's request, the Citrus Research Board and California Avocado Commission have made arrangements for a meeting to be held at:

WHERE: PALA MESA RESORT 2001 Old Highway 395, Fallbrook, CA 92028

WHEN: Tuesday, November 17, 2009

TIME: 1:00 to 3:00 p.m.

USDA and CDFA representatives will present the latest information on the Medfly quarantines in north county, and will answer questions regarding steps growers must take in order to harvest their fruit in compliance with quarantine restrictions. CDFA is in the process of preparing a meeting agenda now. The agenda will be sent in a follow-up email as soon as it is available.
