Even numbers will attend workshops first and be judged in the second section of judging.

Your parents or friends **WILL NOT** be allowed in the set-up area. Parents, this year we ask you to comply willingly when asked to leave the area where your child is setting up his/her display. There will be help and support for your child in the form of committee members and other designated older 4-H members.

You will need to remain at your display while judging is in progress and until completed. The judges will ask questions on how you prepared your recipe and about your menu. You will be asked to serve your prepared dish to the judges. You will be judged on the item prepared and on showmanship.

You will be judged separately if you enter into the SPECIAL FOOD CATEGORY. Participation in the SPECIAL FOOD CATEGORY is OPTIONAL and not open to Primary members.

Ribbons will be awarded to all participants. Participants receiving 100% scores in project exhibit and showmanship will receive a rosette.
