

University of California Master Gardener Program
of San Luis Obispo County Presents:

Garden Based Learning Teacher's Training

Curriculum Connections to School Gardens

Saturday, March 31, 2012
9am to 2pm (includes garden snacks)
UC Cooperative Extension
2156 Sierra Way, San Luis Obispo
\$25 per person

Join fellow garden educators and teachers and gain ideas about connecting your school garden to classroom instruction. This workshop is open to all who work with school gardens including teachers, parents and garden volunteers! Each attendee will receive a curriculum binder.

Register Early!

The First 10 schools to register will receive \$50 worth of gardening supplies!

(This offer does not apply to those schools that received a Master Gardener scholarship within the last 12 months)

Register online at:
