

GLOBAL CORDBOARD CHALLENGE

We invite kids of all ages to build something amazing out of cardboard, recycled materials and imagination.

Saturday, October 8, 2016
8:30 am to 3:00 pm
Kings County Fairgrounds
801 South 10th Ave, Hanford, CA

Give a child a cardboard box and some inspiration and imagination comes to life. We call this Creative Play, and fueling it is one of the most important thing we can do to prepare children for the future. It develops valuable 21st century skills and prepares kids to be next-generation innovators.

Inspired by the short film, 'Caine's Arcade', the Global Cardboard Challenge is an annual event presented by the Imagination Foundation that celebrates child creativity and the role communities can play in fostering it.
