Sat. May 13, 2017 – Project meeting

June ?, 2016 – Kings Fair Dog Show

We would love to have other dog care members give presentations. It only needs to be a few minutes long. You can talk about anything that interests you concerning dogs! Do a little research and let the rest of us know what you found out! You can earn a medal for your record book in the dog project if you give a presentation.

We are always looking for suggestions you might have to make the meeting better. If you have a guest speaker that would be good for the group, let us know. If you know of a dog event others might enjoy, let us know that too!
