

Don't worry, there will be 4-H signs pointing you in the right direction!

Butte County 4-H Presentation Day location:

Butte County 4-H Presentation Day **is being held in a different building: the Learning Resource Center (LRC)**. The LRC is not located next to a parking lot. You must park and then walk to the building. It is a three to five minute walk.

The LRC is circled on the map in black. The best way to the LRC is to park at Public Parking Lot 4 (on the map's far right) and park near the bottom of parking lot, under the solar panels. From there walk to the bottom of the parking lot and go towards all of the buildings. To get to the LRC, you will pass a few buildings on the left and go up a hill.

**Presentation Day check in will be on the second level of the LRC, inside the building.**

Parking and Walking Tips:

The black arrows point to where to drive and park.

The dotted line is for walking directions.
