

**UC ANR URBAN AGRICULTURE
WORKSHOP SERIES**

**“Production Issues &
Urban Farms”**

Thursday, April 5th, 2018

9am to 4pm

Wild Willow Farm

2550 Sunset Avenue, San Diego, CA 92154

Are you an urban farmer learning the ins and outs of growing and harvesting crops? Learn to improve soil quality for healthier crops; use the tenets of IPM (Integrated Pest Management) to identify and manage insect pests, keep weeds from taking off and taking over; use water more efficiently on the farm; and hear about crop selection/planning, and emerging crops for urban growers. Our presenters include UC Advisors, as well as local farmers from Wild Willow Farm, and Agua Dulce Farm.

**\$20 for full day of speakers, networking,
lunch, and refreshments!**

In cooperation with local partners:
