About: Animal Field Day is an opportunity for 4-H members to learn about raising animals, including show rabbits, market rabbits, dairy goats, meat goats, turkeys, show chickens, sheep, swine, steer and even dogs! We will have live animals of all breeds at Animal Field Day. The animal youth owners will talk about what you need to raise the animal, costs, showing the animal and showmanship. Come learn about the animals, or just visit the farm, gain "Attended County Event" credit for your record book and have fun! All participants who complete all sessions are guaranteed a prize from our Prize Wheel game.

What to expect: When you sign in at the event, you will receive a "Sessions Attended" card. Each animal species instructor will stamp your card after you complete their 8 minute info session. You MUST COMPLETE ALL SESSIONS to get a prize. There will be 10 stations total, each running 12 times. All **animal sessions** are run simultaneously so you can go to your sessions in any order. After completing all of the sessions, the final session is a **Prize Wheel game** where all registrants with a completed Sessions card are guaranteed a prize!
