OUR EVENT PARTNERS

The UC Master Gardener Program of Contra Costa County gratefully acknowledges and thanks the following organizations for their participation and support.

Contra Costa Water District - <http://www.cewater.com> – “California's Contra Costa Water District delivers safe, clean water to approximately 500,000 people in central and eastern Contra Costa County in Northern California.”

EBMUD - <http://www.ebmud.com> – “Mission: to manage the natural resources with which the District is entrusted; to provide reliable, high quality water and wastewater services at fair and reasonable rates for the people of the East Bay; and to preserve and protect the environment for future generations.”

RESOURCES

Today's event includes lots of great gardening information that we hope you find useful. For even more, check out our Help Desk, our Ask a Master Gardener tables at venues throughout the county, our regular presentations at local public libraries, and our website at <http://ccmg.ucanr.edu>. And, in addition to the free gardening advice you can obtain from the UC Master Gardener Program of Contra Costa, here are some professional organizations whose members can help with design and/or construction of new or renovated landscapes:

American Society of Landscape Architects (ASLA). Find a licensed landscape architect.
