

Forms and Waivers

The following section contains forms and waivers for volunteers who are not agency staff.

Volunteers who come in contact with youth must complete DOJ fingerprinting using the Live Scan Request for Service form (obtained by the local UCCE Office Manager or from UC ANR Risk Services). Copies of all paperwork must be securely stored to maintain the confidentiality of personal information. A volunteer may begin upon Live Scan clearance from UC ANR Risk Services.

More information on required forms may be found at https://ucanr.edu/sites/risk/Forms_and_Waivers/
