Looking to market your wool? The Sierra Foothill Wool Pool provides an opportunity to weigh and ship small lots of wool to Roswell Wool. Bring your wool in square packs, burlap wool sacks, or garbage bags. If possible, please separate white face fleeces from black face fleeces. Also, please sort off any hair sheep or hair sheep-cross fleeces – any hair in our wool will result in substantially lower prices for everyone. Sort off bellies, top knots and tags, as well. No baling twine – fleeces will be rejected if they are contaminated with plastic or poly twine. Payment will be made directly to individual producers once Roswell Wool has marketed the wool. Please complete this survey to help us estimate the type and quantity of wool you are bringing:
