

California Farm Food Safety E-learning Series

Biological Soil Amendments of Animal Origin [Sign Up for BSAAO- Free!](#)

This E-learning series will provide information about the benefits and risks of applying biological soil amendments of animal origin (BSAAO) during production. This series is tailored to Californians, with specific BSAAO regulatory and enforcement information relevant to California growers.

- E-learning session 1: Wednesday, April 7th 1:00 PM – 3:00 PM PDT - Overview of biological soil amendments of animal origin (BSAAO) and the Food Safety Modernization Act Produce Safety Rule (PSR), Speakers: Dr. Erin DiCaprio (UC Davis, UC ANR), Dr. Alda Pires (UC Davis, UC ANR), Donna Pahl-Clemens (Produce Safety Alliance)
- E-learning session 2: Wednesday, April 14th 1:00 PM – 3:00 PM PDT - Compost, Speakers: Dr. Erin DiCaprio (UC Davis, UC ANR), Dr. Alda Pires (UC Davis, UC ANR), Dr. Margaret Lloyd (UC ANR, UCCE), Donna Pahl-Clemens (Produce Safety Alliance), CalRecycle representative, John Massa (Comgro Soil Amendments)
- E-learning session 3: Wednesday, April 21st 1:00 PM – 3:00 PM PDT - Soil amendments containing ingredients of animal origin, Speakers: Dr. Erin DiCaprio (UC Davis, UC ANR), Dr. Alda Pires (UC Davis, UC ANR), Dr. Margaret Lloyd (UC ANR, UCCE), Pat Milner (USDA ARS)

Production Agricultural Water

[Sign Up for Ag Water - Free!](#)

This E-learning series will provide information on risks associated with production agricultural water, current best practices for agricultural water management, treatment options for agricultural water, and updates on the Produce Safety Rule agricultural water testing requirements. This series is tailored to Californians, with specific agricultural water regulatory and enforcement information relevant to California growers.

- E-learning session 1: Thursday May 6th 1:00 PM – 3:00 PM PDT - An update on Agricultural Water and the Produce Safety Rule, Speakers: TBA
- E-learning session 2: Thursday May 13th 1:00 PM – 3:00 PM PDT - Assessing on-farm risks associated with agricultural water systems, Speakers: TBA
- E-learning session 3: Thursday May 20th 1:00 PM – 3:00 PM PDT - An introduction to options for treating agricultural water, Speakers: Dr. Linda J. Harris (UC Davis, UC ANR), Dr. Faith Critzer (Washington State University), Dr. Channah Rock (University of Arizona)
