SUBJECT: Call for 2022 European Pear Proposals

Research Committees of the California Pear Advisory Board and Pear Pest Management Research Fund will be meeting **February 3, 2022** to review research proposals for 2022. Those wishing to request funding should submit proposals by **Friday, December 3, 2021**.

Use the attached standard UC Project Plan/Research Grant Proposal form (or similar format). Please have the proposal **signed by the appropriate Department Chair or ANR supervisor(s) and mailed to Bob McClain at 1521 "I" Street, Sacramento, CA 95814 and Rachel Elkins, UC Cooperative Extension, 883 Lakeport Blvd., Lakeport, CA 95453. Also email** a copy of the proposal (no signatures necessary) to **both bob@calpear.com and rbelkins@ucanr.edu** and copy Shauna La Brash, slabrash@ucanr.edu, Type *2022 pear research proposal* in the subject line. ANR advisors must upload their proposals onto the ANR Grant Tracking System for approval; add Rachel Elkins to the list of reviewers.

Researchers with current projects should also submit their 2021 report(s) on December 3, particularly if planning to submit a continuing proposal.

Following initial review, researchers will to present proposals to Research Committee members on **Thursday, February 3, 2022**. Details, including whether in-person or via Zoom, will be provided prior.

Please submit research proposals promptly to allow ample time for consideration and review by industry and UC Pear Research Advisory Committees.

The Research Committees welcome and look forward to reviewing your proposals. Please contact Rachel Elkins at (707) 349-4410 or at the above email for further information.
