# How to Find YQCA Tests
# Required for Instructor Led Trainings

Once you're loged in to YQCAprogram.org - click on the blue rectangle in the upper right.

This will open a drop down menu

To find the Pre-Test, click on Enrolled ILT Trainings.
Have your child take the test.

Send an email to Erin Paradis to let her know the test has been completed. She will then approve their attendance at training.

You will then have access to the certificate.
