Kings County Presentation Day

February 24, 2018 @ Noon

(*Please note time change from previous year)

Hanford West High School

[On-Line Entry Form](#)

4-H encourages every member to develop and polish their public speaking skills by participating in County Presentation Day. There are many ways to participate in Presentation Day. Participants may give a traditional demonstration or illustrated talk where they show “how-to-do” something using visual aids or posters to prepared speech or interpretive reading or an impromptu speech etc. The ways to participate are explained in the *California 4-H Presentation Day Manual*. Be sure to read the manual as some of the information has changed.

Please note, a Demonstration requires a minimum of 4 Posters/Slides and an Illustrated Talk requires a minimum of 3.

Take time to read about the various ways to participate in Presentation Day, and then research your topic. Find an interpretive reading you enjoy or a favorite recipe you can use to develop into a presentation. Prepare your script, make your posters, or gather your props, if your category requires such items. Spend time practicing your presentation. The old adage that “practice makes perfect” is especially true for presentations!

4-H Name Guidelines

When writing news articles or developing flyers, it is important to use the 4-H name using the approved 4-H name guidelines.

The official 4-H Name includes 4-H, 4-H Youth Development, or 4-H Youth Development Program. When using the term "4-H" it must conform as follows:

- Numeral "4" separated from a capital "H" with a hyphen, 4-H (not a dash, slash, or space).
- It is well documented in English usage, as well as in the most familiar style manuals, that you should never begin a sentence with a numeral. To comply with this rule, you would need to begin a sentence using "Four-H." This language rule, however, is contrary to the regulations set down for use of the 4-H Name and Emblem; if such a situation arises in writings, it is far better to re-word the sentence slightly to avoid the language rule. An exception to this would be in writing news headlines where the 4-H name would be better served by using the familiar numeral-hyphen-letter combination to provide instant recognition.
- Avoid separation of any of the elements of the 4-H Name at the end of sentences. This can sometimes be difficult because some software programs override user commands. Often, these overrides do not become visible until after printing or posting to a Web page: careful scrutiny of text after trial printing or posting is advised.
- Do not use the 4-H Emblem in place of the word "4-H" in a title or text.

4-H Club News

Lemoore 4-H

It was a busy month for Lemoore 4-H! After giving thanks for our friends and families for Thanksgiving and participating in a club wide canned food drive community service project to benefit the counties under privileged, we went heavy into Christmas mode as we prepped for the Lemoore Christmas parade. It was a lot of fun putting our float together and literally Rocking Around the Christmas Tree through downtown Lemoore! Even more so when we found out WE WON FIRST PLACE! Our December chapter meeting was followed up with a nice Holiday potluck and gift card exchange. We are excited to have a December community service project of blanket collection since for every blanket we collect we will get a matching donation from a local business! Double the impact ☺ ~Happy Holidays from Lemoore 4-H

Grangeville 4-H

Tis the season of giving and the Grangeville 4-Hers were busy helping others. Grangeville started a new community service project called "Socks for Seniors" and the past month members were collecting socks to brighten a senior's day. Items were donated to help keep the Seniors comfy and cozy in a cute and crazy fashion! The donations were given to the Hanford Valley Christian Rest Home. Looking at the donations the members provided, it is certain that these fun-loving men and women will love their fashionable socks, while also staying warm for the winter. In the spirit of giving, members also donated money to a child for the Angel Tree. Scarlet Gutierrez collected money and will be purchasing gifts that are on this young boy's wish list. To celebrate the season, club members also participated in a Christmas party. Items were donated to the Grangeville 4-H potluck! The members loved all of the food brought, and were complimenting each others homemade food items! It was a fun activity that got 4-Hers of all ages involved! Then again, who doesn't love friends and good food?---That is a recipe for a good time!

Give Your Plate A Taste Lift

When it comes to choosing what to eat, nutrition is important but flavor is likely the true motivator and also the key to eating right, according to the Academy of Nutrition and Dietetics. Beginning with this new year experiment with new flavors and flavor combinations in healthy meals and *Enjoy the Taste of Eating Right*.

Taste tops nutrition as the main reason why consumers buy one food over another. The foods we most commonly eat are often those we enjoy the most, so make taste a priority when preparing nutritious meals.

To maximize food's flavor and nutrition, choose high-quality ingredients at their peak quality, and be sure to store and handle foods properly. Proper food handling and storage can enhance the natural flavors of food and keep nutrient loss to a minimum. Overcooking can destroy both flavor and nutrients so be sure to cook foods properly to retain nutrients and enhance flavor, color, texture and overall appeal.

Try some of these simple techniques to enhance flavor while experimenting with flavor combinations:

- Intensity the flavors of meat, poultry and fish with high-heat cooking techniques such as pan-searing, grilling or broiling.
- Pep it up with peppers. Use red, green and yellow peppers of all varieties—sweet, hot and dried.
- Try grilling or roasting vegetables in a very hot (450°) oven or grill for a sweet, smoky flavor. Brush or spray them lightly with oil so they don't dry out. Sprinkle with herbs.
- Caramelize sliced onions to bring out their natural sugar by cooking them slowly over low heat in a small amount of oil. Use them to make a rich, dark sauce for meat or poultry.
- Simmer juices to make reduction sauces. Concentrate the flavors of meat, poultry and fish stocks. Reduce the juices by heating them—don't boil.
- For fuller flavors, incorporate more whole grains such as brown rice or quinoa.
- Add small amounts of ingredients with bold flavors like pomegranate seeds, chipotle pepper or cilantro.
- Add a tangy taste with citrus juice or grated citrus peel: lemon, lime or orange.
- Enhance sauces, soups and salads with splash of flavored balsamic or rice vinegar.
- Give a flavor burst with good-quality condiments such as horseradish, flavored mustard, chutney, wasabi, bean purees and salsas of all kinds.

These simple cooking steps can really transform your favorite meals and foods, but keep in mind the average adult has 10,000 taste buds and people sense the same foods differently. Don't be afraid to try new foods, flavors and taste combinations.

Cases for Kids

Hi! I'm Amanda Curtis and I'm a 5th year 4-Her from Corcoran. Eight years ago, I was adopted. When I first came to live with my family, I didn't know they would be my forever family. I didn't know what would happen to me. Now life is a lot different, but I want to help kids going through what I went through.

I am making and collecting pillowcases for Kings County Foster kids. How you can YOU help? It's easy! You can:

- 1) Sew a pillowcase* or cases to donate.
- 2) Donate fabric or funds for fabric.
- 3) Share this flyer with others.

*Directions for the pillowcases can be found here:

<http://www.allpeoplequilt.com/millionpillowcases/instructions/RollItUp.pdf>

There are about 300 children in foster care in Kings County – they need support and hope and I want to help with my project.

Donations can be dropped off at the Kings County UCCE/4-H Office, or at Sawtelle & Rosprim Machine Shop in Corcoran. For more information, contact Amanda Curtis at: cases4kidsproject@gmail.com or 559-759-8251
