<https://bit.ly/2024PieMeeting>

Learn about
successes,
limitations, and
costs of applying
cutting-edge grazing
technologies on
Northeastern CA
rangelands

AGENDA

- ✓ Virtual fencing research: What we've learned
Rory O'Connor, Eastern Oregon Ag. Research Center, USDA-ARS
- ✓ On-ranch experience using Vence and mOOvement tags in NE CA
 - Laura Snell, Livestock and Natural Resources Advisor, UCCE Modoc
 - David Lile, Livestock and Natural Resources Advisor, UCCE Lassen
- ✓ Q+A and opportunity to examine Vence collars and mOOvement tags
- ✓ Social hour: thank you Siskiyou County CattleWomen for providing pies!
