

Voluntary Conservation and Land Management Assistance Workshop

WEDNESDAY, MARCH 26, 2025 | 4:00 - 6:00 PM

San Diego County Farm Bureau
420 S Broadway, Escondido, CA

Co-Sponsored By

Join us for the 4th Annual Voluntary Conservation and Land Management Assistance Workshop! This is a regional workshop for land managers looking for funding or technical assistance on conserving their land, agricultural operations, land management best practices, and more. The purpose of this workshop is to provide resources to:

- Assist landowners to enhance and maintain native plants and animals on their lands
- Aid in resource management for farmers
- Add biological and conservation value to current uses and practices
- Help landowners understand planning processes and receive technical assistance; and
- Increase knowledge of technical assistance and grant programs for landowners

Who Should Attend?

- Land managers* who maintain working lands interested in learning about programs that assist with current operations; or
- Land managers seeking opportunities to initiate conservation or sustainable land management practices; or
- Organizations interested in opportunities for conservation or sustainable land management practices on privately-owned lands.

*Land managers may include property owners, lessees, land managers, etc.
