president's report

Discussion items tonight:

-health issues that affect us here in SCC ->

Dan Chitwood is in very bad shape. He has given SCC 4-H for many years. Ronda R. was in to visit today to deliver the Leadership Overnight video tape, cards and pictures. Deborah L visited last week, also.

Motion to establish a Dan Chitwood Scholarship account passed unanimously.

Lonnie T had surgery last Thursday, and it went well. Radiation and/or chemotherapy will be coming up.

-30% funding reduction in Cooperative Extension budget -> what this means to SCC 4-H: One approach is to have 4-H members/leaders contact their state legislator to tell them how much the 4-H program means to them. Have the members send their record book 4-H story as an example of the effect that 4-H has had on them.

-(welcome back to Fe)

Fe is going on a 1 yr. sabbatical, from 1 Aug 2003 to 31 July 2004. she will be at YLS on 7 Aug. In her absence, she will be designating some volunteers to handle some of her activities through the year. April 2004 the CE will be moving to Burger Drive.

-Reports

-Food Booth/Awards Chair -> there are three people who are willing to be on the committee for food booth. No awards chairperson yet, but there is still hope that someone will step forward.

-Presentation Day -> 56 entrants have signed up. Plans are going well.

- Favorite foods day may be at Westhope

- small animals: May 3 from 10-1 at the San Martin Lions.

BioBlitz is to be held May 17

Motion to have Exec Board develop a policy to allow event leaders to encourage registrants to meet deadlines.

-Asilomar report -> SLF2003 meeting will be after NC Sectional meeting.

-Domestic Violence team will be having an assembly at Westmont High School March 7.
