

Desert Weeds Early Registration Ends This Friday May 27th

This Friday is the last day to register at the early bird rate of \$55 for the:

Advances in Desert Weeds Symposium, 2011
June 16th from 9:00-3:30.
At the UC Riverside Palm Desert Campus in Palm Desert, CA

Our theme for this year is weed school. After this Friday, May 27th, registration fees will increase to \$80. Special registration fee for students is \$40.

Certified applicators can earn 5 hours of DPR Continuing Education credits.

For registration or more information go to:

<http://saharamustard.ucanr.org>

We will learn about invasive plant biology, seed bank ecology, weed management strategies, Integrated Pest Management, weed management on a limited budget and more...

Feel free to forward to interested parties
