

4-H empowers youth to reach their full potential by working and learning in partnership with caring adults. As a program of the University of California, 4-H prepares young people to make a positive impact in their communities and their world while advancing the field of youth development.

In an effort to continue youth development and leadership programs in our local area, the **Sutter Yuba 4-H Council** presents our **Second Annual Color Me Green 5k Trail Run/Walk on March 11th, 2017 at 9am** at the Sierra Foothill Research Extension Center, Browns Valley.

What is Color Me Green 5K Trail Run/Walk?

The Color Me Green events are designed to encourage youth and community members to increase their physical activity while also having fun! During the run, participants are showered with colored dye as they pass through each marker point. Sutter Yuba 4-H Council in partnership with Wheatland Lions Club will be providing this great opportunity for our community to come together and celebrate healthy living and being physically active. The 5K is available to all ages, and is open to everyone in the community!

Sponsorship of this event will go to support local 4-H youth leadership and development programs while promoting healthy living. The Sutter Yuba 4-H Council needs your support to ensure the success of this event as this is our primary annual fundraising event!
