

UC CE

Cover Crop Demonstration Plots Field Visit

COLUSA COUNTY

RESOURCE
CONSERVATION DISTRICT

University of California Cooperative Extension and the Colusa Resource Conservation District will be hosting two in-person drive by field visits for the Cover Crop Demonstration Plots.

These will be in addition to the virtual field day. The field visits are open to the public. Sarah Light and Liz Harper from the Colusa RCD will be at the field to answer questions about the project and to showcase cover crop varieties and mixes that are planted. There will not be a formal agenda or presentations. Participants are welcome to stop by at the times below.

Dates and times are:

- Tuesday March 30th from 9am to 11am
- Tuesday April 6th from 3pm to 5pm.

Location: [39.2258290,-121.9956540](https://www.google.com/maps?q=39.2258290,-121.9956540)

Directions from Colusa: Follow Bridge Street across the river (turns into River Road). Field is on the right side of the street 0.8 miles up River Road from the intersection of River Road and Butte Slough Road. Follow UC Cooperative Extension signs.

Please help us keep our community safe by following the following guidelines for the meeting:

- If you are sick or feeling a little sick, please don't come to the meeting.
- Maintain 6 feet of distance from people who don't live at your house.
- Wear face coverings (cloth or paper masks, etc.) when are less than 6' away from someone who doesn't live at your house.

No RSVP is required. Please contact Sarah Light selight@ucanr.edu or Liz Harper liz@colusarc.org with questions.
