Early Renewal REMINDER

The Department of Pesticide Regulation (DPR) will mail out renewal packets in August to license and certificate holders with surnames or business names starting with the letters M-Z.

AVOID PROCESSING DELAYS

Submitting earlier allows DPR staff additional time to deal with issues or problems that could delay processing your license.

SUBMIT BY OCTOBER

Please mail your application before November so that your license or certificate can be issued before it expires. Submit before October, and be renewed by early December to register with the County before the New Year.

HAVE QP RENEW EARLY

For pest control businesses, the qualified person must be renewed before the business license can be processed. Submit renewals at the same time **before** November.

PLAN AHEAD!!!

- ✓ Take your CE courses early to avoid the end of year worries!
- ✓ All CE hours must be obtained by **December 31, 2021**, for 2022 renewals. *Or you will have to retest*
- ✓ In order to receive your renewed license/certificate by January 1, 2022, the completed renewal package needs to be submitted to DPR before November 1.
- ✓ **Plan ahead/** Processing time can take more than 60 days.

CE Information for Renewal

- ▶ CE hours must be taken during the valid period listed on the license or certificate.
- ▶ Check your dates: the valid period is from the 'date of issue' until the 'expiration date' listed on your card.
- ▶ NO grace period to obtain needed CE hours after December 31.
- ▶ NO excess hours can be transferred to the next renewal period.

Any Questions?????
