4-H Presentation Opportunities at the Fresno Fair

Calling all Fresno Fair Participants...Can you demonstrate how to make a rope sheep halter? Or maybe how to make ice cream in a bag? Did you do a presentation at county presentation day and want to present it again? Or maybe you want to work on your presentation skills? The Fresno Fair is again looking for 4-H members to give Demonstrations, Illustrated Talks, Share the Fun, or other kinds of presentations on the small stage in the Ag Adventures part of the barn

You may give the same presentation on more than one day, or schedule multiple presentations. The 4-H office will award 4-H presenters with a special presentation pin for each different presentation. Team presentations can also be given.

Please contact Anne Cehrs at aacehrs@gmail.com to schedule a presentation. Tell me your name, club, title and description of presentation, time required, and a contact phone number, as well as what day and time that you want to present. If you will not be exhibiting at the fair I need to know that before the fair starts so I can get you an admission ticket for you and your chaperone. These tickets will be left at the 4-H office for you to pick up.
