

UC Master Gardeners—Yolo

Fruit Tree Care Workshop

SATURDAY FEB. 28 10:30AM FREE

Winters Community Library, 708 Railroad Ave

Taught by UC Master Gardener
Bonnie Berman

- How to grow healthy fruit trees
- Fruit tree pruning
- Common fruit tree pests and how to control them
- How to improve the lifespan of your trees.

Winter is the optimal time to care for your fruit trees to help them stay healthy and productive.
