

# UC Agriculture and Natural Resources

*“UC ANR offers local expertise with a practical mindset and applied research. They are people who can look directly at a problem and work together with the community and campus-based experts on a solution.”*

—Don Bransford  
President, Bransford Farms

In all **58** California Counties

**UC  
CE**

**293**  
Advisors and Specialists

**10**   
Research and Extension Centers

**520**  
UC campus-based Agricultural Researchers (AES)

*“UC’s California Institute for Water Resources is vital to integrating California’s research, extension, and education programs to help mitigate current water-related issues and develop practical long-term solutions.”*

— Secretary Karen Ross, California Department of Food and Agriculture

**6,150**  
 Active UC Volunteer Master Gardeners

 **72,300**  
Youth Enrolled in 4-H

**123,100**  
low-income, high-risk adults and youth receiving **nutrition education** through UC ANR programs — and we need to do more
