

# WOOD PRODUCTS PRIMARY PROCESSING & BIOMASS ENERGY FACILITIES

## PRIMARY WOOD PROCESSING FACILITIES

- |  |  |  |
|--|--|--|
| 1 Timber Products Plywood (White City)               | 25 Humboldt Redwood Co. Sawmill              | 50 Roseburg Chip Export Yard                 |
| 2 Timber Products Co. Hd. Wd. Plywood & Particle Bd. | 26 Trinity River Lbr. Co. Sawmill            | 51 SPI Sonora Standard Sawmill               |
| 3 Murphy Co. Veneer                                  | 27 Shasta Green Sawmill                      | 52 SPI Chinese Camp Sawmill                  |
| 4 Murphy Plywood Layup                               | 28 SPI Burney Sawmill                        | 53 Hat Creek Lumber                          |
| 5 Murphy Plywood                                     | 29 SPI Shasta Lk. Sawmill                    | 54 California Wood Shavings                  |
| 6 Boise Wood Products Veneer/LVL/Plywood             | 30 Alta California Roundwood & Firewood      | 55 Big Creek Lbr. Co. Sawmill                |
| 7 Sierra Valley Sawmill                              | 31 SPI Anderson Pole Plant                   | 56 Sierra Forest Products Sawmill            |
| 8 Jeld-Wen Thomas Lbr. Sawmill                       | 32 SPI Anderson Sawmill                      | 57 Priority Pallets Sawmill                  |
| 9 Columbia Forest Products Hd. Wd. Plywood           | 33 High Desert Lumber                        | 58 Trinity River Lbr. Oroville Log Sort Yard |
| 10 Unity Forest Products                             | 34 Collins Pine Co. Sawmill                  | 59 Gynup Enterprises Export Chip Dock        |
| 11 Kubich Lbr. Co.                                   | 35 SPI Quincy Sawmill                        | 60 Roth Industries                           |
| 12 Swiss Krono Particleboard & Hardboard             | 36 Willits Redwood Sawmill                   | 61 Oregon West Lumber Sawmill                |
| 13 Collins Fremont Sawmill                           | 37 Agwood Mill & Lbr.                        | 62 Lignum Support Loyalton Woodyard          |
| 14 South Coast Lumber and Pacific Wood Laminates     | 38 Mendocino Forest Products Sawmill         | 63 Alpenglow Timber                          |
| 15 J&C Lumber  | 39 Redwood Empire Philo Sawmill              | 64 Tahoe Forest Products                     |
| 16 Fairhaven Export Chip Dock                        | 40 SPI Oroville Fencing Sawmill & Bark Plant | 65 Tuolumne Biomass                          |
| 17 Timber Products Veneer Mill                       | 41 Hoopa Forest Industries                   | 66 Golden State Tuolumne                     |
| 18 Green Diamond Log Chipping Facility               | 42 Redwood Empire Cloverdale Sawmill         | 67 Miracle Forest Products                   |
| 19 Roseburg Forest Products Veneer Mill              | 43 Redwood Empire Asti Sawmill               | 68 Lignum Support Whisler Woodyard           |
| 20 Auberry Sawmill                                   | 44 Berry's Sawmill                           | 69 GC Forest Products Pellet Mill            |
| 21 Sequoia Forest Products                           | 45 SPI Lincoln Sawmill & Bark Plant          | 70 Angel City Lumber                         |
| 22 North Fork Lbr. Co. Sawmill                       | 46 Golden State Nubeiber                     | 71 Camptonville Sawmill                      |
| 23 Schmidbauer Lbr. Co. Sawmill                      | 47 El Dorado Northern Sawmill                | 72 West Coast Arborists                      |
| 24 Mad River Lbr. Sawmill                            | 48 SPI Camino Sawmill                        | 73 Welkers Custom Cut Lumber                 |
|  | 49 CTL Forest Products Post & Pole           | 74 Tuolumne Bioenergy                        |

## BIOMASS ENERGY FACILITIES

- |  |  |  |
|--|--|--|
| 1 Biomass One LP                         | 13 SPI Anderson Biomass Power II         | 29 Buena Vista Biomass Power               |
| 2 NEXT Renewable Fuels                   | 14 Anderson BioGroup                     | 30 SPI Sonora Standard Biomass Power       |
| 3 Roseburg Forest Products Biomass Power | 15 Collins Pine BioMAT Project           | 31 DTE Stockton Biomass Power              |
| 4 Big Valley Biomass Power               | 16 Mt Lassen Power                       | 32 Aemetis Riverbank                       |
| 5 Blue Lake Biomass Power                | 17 Honey Lake Power                      | 33 Jamestown Energy                        |
| 6 Fairhaven Biomass Power                | 18 SPI Quincy Biomass Power              | 34 Mariposa BioMAT Project                 |
| 7 Humboldt Redwood Co. LLC Power         | 19 Sierra Valley Enterprises             | 35 Ortigalita Power Company                |
| 8 Burney Forest Power                    | 20 Fulcrum Bioenergy                     | 36 Merced Power                            |
| 9 SPI Burney Biomass Power               | 21 Yosemite Clean Energy                 | 37 Chowchilla Biomass Power                |
| 10 Hat Creek Bioenergy BioMAT Project    | 22 Covanta Pacific Oroville Power        | 38 North Fork BioMAT Power Plant           |
| 11 Tubit BioMAT Project                  | 23 Camptonville BioMAT Project           | 39 Madera Power                            |
| 12 Sustainable Resource Mgt              | 24 Wadham Biomass Power                  | 40 Covanta Mendota Power                   |
|  | 25 SPI Lincoln Biomass Power             | 41 Rio Bravo Fresno Biomass Power          |
|  | 26 Rio Bravo Rocklin Biomass Power       | 42 Dinuba Energy                           |
|  | 27 DTE Woodland Biomass Power            | 43 Covanta Delano Power                    |
|  | 28 Blue Mtn. Electric Co. BioMAT Project | 44 DTE Mt. Poso Cogen                      |
|  |  | 45 Desert View Power                       |
|  |  | 46 Imperial Valley Resource Recovery Power |
