

Field Day: Nutsedge Management in Pistachios

Field Day Objective: To provide an overview of management strategies and challenges in controlling nutsedge in pistachios. Attendees will have the opportunity to view test plots from an herbicide study conducted in collaboration with Fresno State, demonstrating the performance of different herbicides for yellow nutsedge control.

When: Wednesday, May 13th, 2026

Time: 10:00 AM – 11:00 AM

Where: 7656 S Orange Ave, Fresno, CA 93725

Can sign up by emailing Jorge Angeles at:
jaangeles@ucanr.edu
